MISCELLANEOUS.

WAREROOMS, No. 350 West Baltimore St., near Eutaw. BALTIMORE.

These Instruments have been before the Public for nearly Thirty Years, and upon their excellence slone attained as unpurchased precommence, which prenounces them unequaled. Their TONE combines great power, sweetness and fine singing quality, as well as great purity of Intonation, and evenness throughout the entire scale. Their

TOUCH is pliant and elastic, and entirely free from the stiff-pass found in so many Pianos. In WORKMANSHIP

they are unexcelled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, &c., on hand. Re-All our Square Pianos have our New Imved Overstrung scale and the Agraffe Treble. We would call special attention to our late im-
